JUDGE H. RUSSEL HOLLAND

CASE NO. 3:14-cv-0171-HRH

PROCEEDINGS: ORDER FROM CHAMBERS

---

By order of November 18, 2015,<sup>1</sup> the court granted motions to quash document subpoenas obtained by plaintiff and served upon non-parties. Thereafter, the court received a series of responses with respect to this order from both plaintiff and defendants.<sup>2</sup> The court's November 18 order did not call for or suggest the need for a "response" from the parties, and the responses do not seek any action by the court. Accordingly, the court will take no action with respect to these responses.
